TUMKUR DIVISION.

Dated Camp Kunigal, 5th February 1919.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 28th February 1919, for constructing a kacha building for the High School at Tumkur. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1919.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur, between the hours of 11 A.M. and 5 P.M., on working days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. (200) two hundred only in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing a katcha building for the High School at Tumkur, in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the Executive Engineeer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

M. HASSAN ALI,
For *Deputy Commissioner.*

OFFICE OF THE FOOD CONTROLLER IN MYSORE.

Notice dated 9th February 1919.

It is hereby notified that the import of 500 tons of Bengal gram and gram dhal and 500 tons of wheat from the Punjab has been permitted by the Food Stuffs Commissioner for the month of February.

Applications from merchants who wish to import any portion of this allotment should be made to the Director of Civil Supplies, Bangalore.

Notice dated 9th February 1919.

It is hereby notified that as the full allotment of 1,825 tons of Madras rice allotted to the Mysore State was not imported during the month of January, imports to the extent of about 2,950 tons will be allowed during the month of February. Of this 700 tons may be from the Ramachandrapuram Taluk in the Godavari District and the rest from Madras, Nellore and North Arcot. Merchants who wish to import this rice should forward their applications for priority certificates to the undersigned as early as possible.

K. MATTHAN,
Food Controller in Mysore, Bangalore.
